Regarding: Complaint# 23-CV-5813, LOGAN LEFKOWITZ, Plaintiff,
against ROBERT GAULT, ET AL.

Honorable Judge, I am writing to inform the court that a Complaint, # 23-CV-5813 was filed with the clerk's office on June 30, 2023, without my knowledge or consent. I did not sign this complaint. The signature that is on the complaint is not mine. Furthermore, the address listed on the complaint next to both of the signatures is not my actual residence. The address is a fraudulent law firm associated with an individual that has forged my name and has defrauded me by impersonating a lawyer in NY state and charging me 5,000.00 dollars for his fraudulent services.

In the past few months, I was in contact with an individual who represented to me that he was an attorney. I had conversations with him and he agreed to represent me in a case concerning my reinstatement to the New York City Police Department. He informed me that as an attorney representing me, he was going to file a complaint with the Federal Court and that the Judge would be Laura Taylor Swain. Since this transpired between myself and the man purporting himself to be an attorney, I have become aware that he is not a license attorney in the State of New York, and I am no longer in contact with him. This individual forged my name on the Complaint, #23-CV-5813. Based upon the above, I am respectfully requesting that this complaint not be accepted by the court and this complaint be discontinued, null and void. Also, I would like for the court to be aware that this individual who uses

the company names Prospection Law and Legal Prospection with the name Sean Patrick Mescall or S. Patrick Mescall or R. Rocco with an address of 442 5 Avenue suite 1552, NY NY 10018 might very still be active and continuing to victimize people and defraud the courts. There is currently an active police investigation with the NYPD under Complaint # 2023-50-4655.

I would also like to know if this person violated any federal laws by forging my name in Federal Court and if so, how to go about reporting this incident to the right jurisdiction or authority. I need to know what the next step to take is.

Respectfully
Logan Lefkowitz
